

PROPERTY MANAGER PARTNERSHIP

We'll make your job easier...

Bring on a Free Telecom Concierge

We have extensive knowledge from strategic partnerships. As a trusted vendor you can add to your vendor list, we'll facilitate a seamless move in and can assist new tenants with all things telecom related.

We'll hop on board as a value-added service to your already great property management team! You can now offer your buildings as coming with a FREE telecom concierge.

When to Contact Us

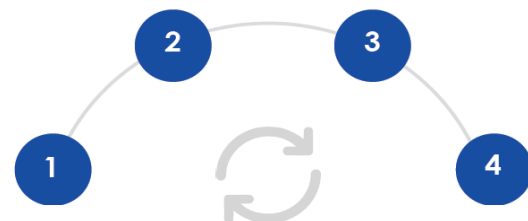

- 1. New Tenant** - Include a Telecom Availability Report and Telecom Concierge for every tenant - *absolutely free.*
- 2. New Listing** - Send us the address and we'll create a TAR to include in your new tenant's welcome packet.
- 3. Referrals** - Need other vendors? We can refer inside wiring vendors, IT professionals and much more!

What industry experts are saying..

"Tenant Telecom Advisors have been so helpful to our clients that when it was time to move and upgrade our own office, we called TTA for their expertise. The whole process was effortless, and we are very pleased with our services. "
